ABOUT US

LCIT GROUP OF INSTITUTIONS

LCIT Group of Institutions, Bilaspur (CG) was established in the year 2008 by Shri Shri Vidyasagar Ji Maharaj Education Trust with a commitment to provide quality education in the fields of Engineering & Technology with emphasis in Management, Pharmacy, Science, Commerce, Arts and Law Education. Also running a Higher Secondary School. The Institute has a sprawling 20 acres of lush green campus area with a beautiful well developed infrastructure.

The institution is putting unflinched efforts to provide the best facilities for the attainment of a quality education. LCIT Group of Institutions is running a number of educational institutes with present student strength of 5000, we are extremely happy to mention that these Institutions have earned a place of pride in Higher & Professional Education and have become one of the most preferred institutions for seeking admission to professional and technical courses. Besides catering to the needs of formal education, LCIT Group of Institutions also prepares skilled and qualified manpower for self employment through different co-curricular and extra-curricular activities. Further, the institute would take up a strategic research and development activities which along with entrepreneurship will help in extending the efforts of the various institute in imparting education to the unemployed and working population by updating and upgrading their technical skills.

LCIT School of Pharmacy

LCIT School of Pharmacy, located in Bilaspur, Chhattisgarh, was established in 2018 with the vision to provide quality pharmaceutical education and contribute meaningfully to the healthcare sector. Since its inception, LCIT School of Pharmacy has strived to become a center of excellence in pharmacy education by offering diploma, undergraduate, and postgraduate programs, including D. Pharmacy, B. Pharmacy, and M. Pharmacy. The postgraduate courses include specializations in Pharmaceutics and Pharmaceutical Chemistry*, designed to build strong research acumen and advanced technical knowledge among students.

The college campus is well-equipped with state-of-the-art infrastructure, including modern laboratories that support hands-on learning and innovation in pharmaceutical sciences. Our research facilities enable students and faculty to engage in scientific discovery and industry-oriented projects. The institution provides spacious, smart-enabled classrooms for interactive learning, a well-stocked library with national and international journals, comfortable hostel accommodations, and reliable bus services for daily commuting. Emphasizing both academic rigor and holistic development, LCIT School of Pharmacy is dedicated to producing skilled, compassionate, and forward-thinking professionals who are prepared to lead and excel in various sectors of the pharmaceutical and healthcare industries.

Company Profile - Overview

TRAINING & PLACEMENT CELL

At LCIT School of Pharmacy and LCIT College of Pharmacy, Bilaspur (Chhattisgarh), our dynamic Training and Placement Cell is committed to shaping the future of our students by providing robust career support and industry exposure. With a strong academic foundation through our D. Pharmacy, B. Pharmacy, and M. Pharmacy programs, we consistently produce skilled professionals who are selected in reputed pharmaceutical companies, healthcare sectors, research organizations, and academia. Our dedicated team ensures students receive guidance, training, and placement opportunities that align with the evolving demands of the pharmaceutical industry. We take pride in our growing network of successful alumni and strive to continue delivering excellence in education and career advancement. As a part of the prestigious LCIT Group of Institutions, we are proud to foster a culture of academic excellence and research-driven innovation among our students.

ACTIVITIES

- Placement of students, inviting companies from various fields for Campus placement drives, organizing technical seminars, workshops, industrial visits & other technical sessions.
- Establishing continuous institute-industry interaction.
- In-plant training for students in industries during summer and winter vacation.
- CRT [Campus Recruitment Training] and mock-campus interview drives, online aptitude and technical tests to groom students.
- Helping every student in defining his/her career interest through career counselling by experts.
- Alumni interaction sessions for career guidance and preparations.

TESTIMONIALS

Dushyant Pandey

D. Pharmacy

Selected in
Central Govt.

"I am proud to be an alumnus of LCIT School of Pharmacy, Bilaspur. Today, I am honored to be serving in a Central Government position in West Bengal, and I owe a great part of this achievement to my college. LCIT didn't just give me an education—it gave me a future."

Ramesh Kumar Patel

B. Pharmacy

Selected in
Dr. Lal Path Labs

"My journey at LCIT School of Pharmacy has been truly life-changing. The nurturing academic environment and supportive faculty helped me build a strong foundation in pharmaceutical sciences. I'm proud to call myself an LCIT alumnus."

Praiselin Mathur

B. Pharmacy

Selected in
Macleods

"The practical exposure we received through hospital training, industrial visits, and workshops was exceptional. These experiences gave me confidence and prepared me to face real-world challenges in my pharmacy career."

Bharti

B. Pharmacy

Selected in
Macleods

"One of the best things about LCIT is its focus on holistic development. Apart from academics, we had seminars, cultural events, and health camps that made learning dynamic and engaging. The memories made here will stay with me forever."

Praful Nishad

B. Pharmacy

Selected in
Pratham Hospital

"I still remember the guidance I received while working on my final year project. The faculty mentored me at every step and encouraged innovation. That experience sparked my interest in pharmaceutical research, which I'm now pursuing as a career."

Khushi Gupta

B. Pharmacy

Selected in
Intellipaath

"The college's collaboration with hospitals and industry through MoUs gave us valuable internship opportunities. My time at Red Cross Hospital during my training taught me the importance of ethics, empathy, and clinical precision."

Kishan Barekar

D. Pharmacy

Selected in
Mark Hospital

"I was part of the student council at LCIT, and that leadership experience played a crucial role in shaping my communication and management skills. The college truly empowers students beyond the classroom."

Shivaji Rao Bhonsle

B. Pharmacy

Selected in
Go Apptiv

"During my four years at LCIT, I not only gained academic knowledge but also formed lifelong friendships. The campus environment is friendly, inclusive, and filled with opportunities for growth."

Nikhil Vaishnav

B. Pharmacy

Selected in
Go Apptiv

"I especially appreciated the emphasis LCIT placed on innovation. Our sessions with industry experts from B-Incube and Goa IPR gave me insights into entrepreneurship and intellectual property that I never expected in a pharmacy program."

Aakash Kaushik

B. Pharmacy

Selected in
Go Apptiv

"Even after graduation, I feel connected to LCIT through the alumni network. It's a strong community where we support each other and continue to learn and grow. LCIT is not just a college – it's a family that keeps giving."

Nurani Banjare

B. Pharmacy

Selected in
Pratham Hospital

"After graduating from LCIT, I was placed in a reputed pharmaceutical company. The placement support team was instrumental in preparing us through mock interviews, soft skill sessions, and resume-building workshops."

Neeraj Soni

B. Pharmacy

Selected in
Apollo Pharmacy

"After graduating from LCIT, I was placed in a reputed pharmaceutical company. The placement support team was instrumental in preparing us through mock interviews, soft skill sessions, and resume-building workshops."
